'2004 Diversity Innovator Award' presented to NASA

NASA's Office of Small and Disadvantaged Business Utilization (OSDBU) won the "2004 Diversity Innovator Award" Tuesday from the National Women's Business Center and Ivy Planning Group LLC in Washington. The award honors companies and organizations with innovative diversity initiatives. "Although OSDBU received this award, we had a lot of help from the small business specialists at our 10 field centers and from the whole NASA family," said Ralph Thomas, the Agency's OSDBU assistant administrator.
